

Walther LG400 „Junior“

The slightly grained laminated wood stock of the WALTHER LG400 match air rifle in grey/black color fits both left-handers and right-handers. Designed for young shooters and gun clubs, this version features the proven 400 system (without absorber) for 300 and 200 bar, an ambidextrous loading lever, Vario trigger with dry firing mode and T-slot rail. The stock length and butt plate are continuously adjustable for three-position competition.

LG400 Configuration:

- Compressed air system for 300 and 200 bar
- Pressure reducer with QUICKCLEAN air filter
- Dry practice mode
- ECO valve technology
- VARIO trigger for extremely fine settings
- Wide breech with loading status indicator
- Ergonomically shaped loading lever can be placed on the left-hand or right-hand side
- Universal tool
- Lockable plastic gun case

Universal Junior Equipment Package:

- Universal laminated wood stock for right/left position
- T-slot rail for three-position competitions
- Continuous quick-action setting for stock length and cheek piece
- Slip-resistant rubber butt plate
- Aluminium compressed air cylinder with pressure gauge
- BASIC match diopter and fore-sight holder
- Low basic weight (approx. 3500 g)
- Absorber can be retrofitted
